

MS Forex Graduates – Prospectus

For Future High Net-Worth Individuals

MS Forex Graduates (MSFG) offers **Forex** Education. We aim to teach proven trading strategies and help eradicate the stigma of **Forex** being a high risk and/or false market. Prospective, future high net-worth individuals can look forward to having a deep knowledge of what is **Forex** Trading, when and how to trade **Forex**.

Session times and Venues will be discussed and agreed to on a client by client basis. Sessions will be kept small enough for individual attention.

Free Services (include but are not limited to):

1. **Forex** Basics
 - ❖ What is **Forex** and what it involves
 - ❖ How Trading generates Profits
 - ❖ Risk Management Principles
 - ❖ Legitimacy & Regulations
 - ❖ Overview on Scams

Premium Services – The Master Class (R3 000 - R5 000 depending on Location):

2. **Forex** General Strategies
 - ❖ Introduction to Price Action via Technical and Fundamental Analysis
 - ❖ Overview of popular Technical Indicators
3. **Forex** Accounts & Software
 - ❖ Brokers 101
 - ❖ Demo & Live Account Setup
 - ❖ Using MetaTrader4 (MT4) on Mobile Devices or PC/Mac
 - ❖ Depositing & Withdrawing Money from Brokers
4. **MSFG-Specific Forex** Strategies
 - ❖ Trading Lessons based on a specific, winning and proven strategy (called **NARCOS** because it makes Drug-Level Money in a Legit Financial Market)

Ongoing Premium Services:

- ❖ **Forex** Mentorship
- ❖ Access to experienced Financial Advisors to invest profits and take up policies
- ❖ Access to a small network of **MS Forex Graduates** Alumni with aligned interests for non-**Forex** investment opportunities
